

THE BOYS & GIRLS CLUB of SOUTH LOGAN COUNTY

Fills A Critical Need

Boys & Girls Clubs build character through everyday leadership and guidance in behavior and attitude. Young people of all nationalities, races and creeds join together in wholesome recreation and companionship.

Trained professional staff provide positive adult mentors and role models. Nationally recognized programs help young people succeed in school, stay healthy, learn important life skills, pursue interests in the arts and sports, and explore vocational choices.

Most importantly, Boys & Girls Clubs show youngsters that someone cares and wants them to realize their full potential as productive, responsible and caring citizens.
