WE CARE ABOUT SENIORS

It is our hope you will come by the Center for a visit. Opened February 5, 2001 the Senior Activity Center is an inviting and beautiful place. The view off our back deck gives us a great overlook of the Veteran's Park. We are located at 545 Heritage Drive (just one block north of Hwy 10), next to Heritage Village Apartments and the Area Agency on Aging Nursing Office.

Activity is an important part of what the Center is all about! The regular schedule keeps us busy and there are always day trips and overnight outings thrown in too. There is a monthly calendar available listing our exercise classes, birthday celebration, blood pressure checks, scrapbooking and crafts. We play bingo every Friday and everyday you can get involved in dominoes, cards, puzzling and more. Our kitchen staff prepares approximately 200 delicious and nutritious meals Monday through Friday. You can join us in the dining room at 11:45. We also provide home delivered meals to eligible homebound seniors within the city limits of Booneville and Magazine.
